RE: RoHS Compliance

Röchling Engineered Plastics certifies that our Virgin Natural Polystone products do not contain the dangerous substances restricted by the 2002/95/EC RoHS-Directive:

We confirm that our products do not contain heavy metals like Lead, Cadmium, Chromium-VI, Mercury and their compounds.

Röchling Engineered Plastics also does not use Polybrominated Biphenyls (PBB) and Polybrominated Diphenylethers (PBDE) in our products.

The presence of ubiquitous traces cannot be excluded.

Regards,

A handwritten signature in black ink, appearing to read 'Jeff Walker', written over a horizontal line.

Jeff Walker
Plant Manager
