70 CARLISLE PLACE, STAMFORD, CT 06902-7614

T e c h n i c a l B u l l e t i n

Spartech Polycast Acrylic Customers

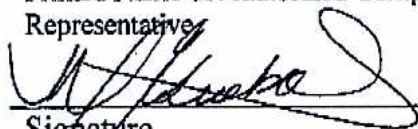

This memo is in response to the possible use of Cadmium, Lead, Mercury, Hexavalent Chromium, Polybrominated Biphenyls, Polybrominated Diphenyls Ethers, Pentabromodiphenyl Ethers, and Octabromodiphenyl Ethers in products sold by Spartech Polycast.

Spartech Polycast does not use the mentioned compounds as raw materials in product currently being sold. Moreover, to the best of our knowledge, these compounds are not components of any of our raw materials.

This document is a certificate of compliance with the European Directive RoHS, WEEE, and PentaBDE/OctaBDE for all of our products at Spartech Polycast.
