RE: RoHS Certification

This letter will serve as certification for the RoHS requirements for acceptable levels of Lead, Mercury, Cadmium, Hexavalent Chromium, PBB and PBDE.

Vintec I PVC sheet made by Vycom Corp. does not use any of the above materials in the manufacturing process. The sheet has no measurable amount of these materials and will meet the RoHS requirement.

If you have any questions, do not hesitate to contact me.

Best regards,

Gary DiFazio
